The most famous and loved restaurant in Vidin is undoubtedly the 'Fish & Grill' Danube, better known as the 'boat'! The place is cozy and the guests feel good, thanks to the love and diligence and positive attitude that the owners put in. Delicate culinary temptations can be experienced here in the serene atmosphere on the banks of the Danube. The restaurant's history began in January 2013, when two ambitious friends and classmates decided to restore the glamor and reputation of the fish restaurant 'Shlepa', which had been lost over the years. After a complete change of vision, cuisine, menu and staff, in April 2013, Fish & Grill 'Danava' opened its doors with a brand new and motivated crew on board!

In May 2014, the second Dunava BBQ took place, again on a river pontoon.

The 'Fish & Grill' Dunava restaurant brings a sense of coziness, romance and timelessness. Whatever table you sit at the restaurant, you will enjoy the magnificent view. The
